Dear Ms Matthews

Launch of Purple Ribbon Day Project to mark the 4th World Elder Abuse Awareness Day

It is with pleasure that I send this letter of commendation on the launch of your upcoming "Purple Ribbon Day". Council is very mindful of the important role that community and church organisations such as yours play, and we are appreciative of the contribution you have made into enriching the lives of many.

I understand that this campaign came about as a result of consultations between Council's Community Department and representatives of your church. Your pro-active approach in addressing elder abuse and raising community awareness will have long term benefits for many isolated and vulnerable members of our community.

Congratulations on bringing this important issue to the forefront of people's minds. We look forward to continuing our partnership with you and wish your launch every success on Sunday.

Yours sincerely
