*The Respect for Seniors campaign is an initiative of the  
St Ives Uniting Church Elder Abuse Prevention project.*

*The campaign highlights the value of older people in  
our community with recognition for the substantial  
contribution they have made in building this nation.*

*As part of the campaign, an annual Wear Purple Day will  
be a 'celebration of ageing' and an acknowledgment of  
World Elder Abuse Awareness Day on 15th June.*

*The Elder Abuse Prevention project aims to enhance the  
quality of life for seniors through education programs.  
Seed funding for this project has been provided by  
UnitingCare Ageing Northern Sydney Region.*
